

SNEEZE GUARD

900MM x 900MM

Size

This template is 100% scale/full size, and must not be re-sized or scaled.

Layers

 **Instructions.** Can be turned off or removed before exporting your print-ready file, if desired.

 **Areas & Marks Overlay.** Must only be used as an overlay, and must not contain any design elements. Must be either turned off or removed before exporting your print-ready file.

 **Design.** Should be used to create and supply your design.

Areas & Marks

 **Bleed line**
Artwork must extend to this line. Any space between this line and the safe area line must only be used as a quiet area.

 **Cut line**
Perimeter of the boards, after cutting.

 **Safe area line**
Important content (text, logos etc.) must be kept within these lines.

Artwork Requirements

Artwork must be supplied:

- With any template elements (such as lines, boxes and markings) removed
- On all three artboards (one face and two feet)
- Without crop marks or other registration marks
- Using the full bleed area
- With all fonts outlined
- With any images embedded
- As either PDF (preferred), AI or EPS format

For a full list of artwork requirements, please refer to our website.

Considerations

The feet boards can be used to face either outwards or inwards,.
