EXTRA LARGE CREST FLAG

DOUBLE-SIDED

Size
This template is a 25% scale of full size, and must not be revised or scaled.

Template size: 100mm x 100mm
Unfinished size: 600mm x 300mm
Finished pull size: 450mm x 220mm

Shape

- **Hemline:** Areas must extend to this line. The area between this line and safe area line must only be used as a quiet area.
- **Finished Line:** Perimeter of the visible graphic area, after the hem and sleeve have been added.
- **Safe area Line:** Important content (text, logos etc) must be kept within this line.

Layers

- **Artwork:** Must only be used as an overlay and must not contain any design elements.
- **Gusset:** This should be left in your artwork file, and will be removed prior to printing.
- **Design:** Should be used to create and supply your design. Contains an empty path to use as a clipping mask.

Artwork Requirements

Artwork must be supplied:
- With any texts outlined.
- With any images embedded.
- With artwork inside the bleed line (as a clipping mask).
- As either PDF (preferred), AI or EPS format.

For a list of artwork requirements, please refer to our website.
